

15W MagSafe Wireless Charger for iPhone 16-12 - Apple MFi Certified, Fast Charging Pad with Adjustable Stand & 5 ft Cable - White

MODEL NUMBER: U280MS-005

Wirelessly charges a MagSafe-compatible iPhone 12 and above with up to 15W of power.

Features

Effortless Wireless Charging for Your iPhone

Tired of plugging and unplugging cords? The U280MS-005 MagSafe Wireless Charging Pad makes powering your iPhone simple and seamless. Just place your Qi-certified iPhone (iPhone 12 and newer) on the 15W charging pad—no cables needed. The charger is Apple MFi Certified for safe, reliable performance.

Supports MagSafe Connection

Built-in MagSafe technology ensures your iPhone locks into place for a secure, uninterrupted charge. Internal magnets align your phone perfectly, preventing slips or disconnections. Enjoy fast wireless charging up to 15W—ideal for busy days.

Adjustable Stand for Flexible Viewing

Charge flat or use the adjustable kickstand to keep your phone upright. Scroll, text, or stream in portrait or landscape mode while your phone powers up. **Note:** Devices that are wireless charging-enabled but not MagSafe must charge flat.

Compact and Travel-Ready

Sleek and portable, this wireless charging stand fits easily on your nightstand, desk, or in your bag. A built-in five-foot (1.5-meter) USB-C cable connects to a wall charger, such as the U280-W01-20C1-G (sold separately).

Highlights

- MagSafe technology snaps your smartphone into place—no more misalignment or dropped connections
- Apple MFi Certified and supports up to 15W fast charging for safe, efficient power every time
- Case-friendly design charges through official MagSafe cases—no need to remove your case
- Adjustable charging kickstand lets you scroll, text, or stream hands-free in portrait or landscape mode
- Compatible with iPhone 12 through iPhone 16, including iPhone 15 Pro and Pro Max models

System Requirements

- Compatible with all Qi-enabled smartphones
- Magnetic charging function requires a compatible smartphone or other device
- Requires a USB-C wall charger up to 20W or a laptop or PC with a USB-C port

Package Includes

- U280MS-005 15W Wireless Charging Pad
- Quick Start Guide
